Lecture Registration

Anmelden!

You now know which courses to take in the first semester.

In the second step you have to register online.
This is only possible during specified periods.

Lecture Registration

Now we will show you how to register for courses.

Small group is displayed

You can also voluntarily acquire additional qualifications ... (but usually this is only relevant in later semesters)

Registration for modules and courses

Bachelor English Literature and Culture >

- Major Subject
- Minor Subject
- Additional qualifications

Login as for other courses on "registration" in JOGU-StINE

Here you can find courses offered by the Data Center (ZDV) on software such as Word, PowerPoint, Photoshop, Excel, and Web Design.

But also courses of the University Library for the use of databases or literature research and courses of the Studium Generale...

You will receive an e-mail by JOGU-StiNe on your university email account including information about your registration status or you can look it up directly at JOGU-StiNe

Problems with JOGU-StINe

If you have problems like overlapping mandatory courses or rejected registrations

- Wait for second registration period
- If you still have not got a place for your mandatory courses get in touch with the Student Office of your Faculty

But that's not all JOGU-StINe can do:

Examination Registration

Do not forget to register for examinations at the end of the term for all tests you wish to take!

→ This is also done via JOGU-StINe :

Examinations
→ Examination Registration
