There are two airports near Mainz:

FRANKFURT INTERNATIONAL AIRPORT (30 MIN. AWAY)
From “Frankfurt Flughafen Fernbahnhof” (the long distance train station) you are able to take the train to “Mainz Hauptbahnhof” (Mainz central station). The tickets for the Eurocity (EC), Intercity (IC) and Intercity Express (ICE) trains cost about 14 euros and the travel time is about 20 minutes.

From “Frankfurt Flughafen Regionalbahnhof”, the regional train station, the tickets for the S-Bahn 8, Regional Railway (RB) and Regional Express (RE), tickets cost around 4.90 EUR, travel time is around 30 minutes.

You can find the train schedule under:
www.bahn.de/p/view/index.shtml

FRANKFURT HAHN AIRPORT (HUNSRÜCK REGION, 90 MIN. AWAY)
From there, the "Flibco" bus travels to Mainz Central Station. The bus leaves every three hours from Terminal 3. Tickets cost about 12 euros and the journey takes about 90 minutes.

The timetable: www.bohr.de/en/scheduled-services/busline-hahn-mainz

You can book the tickets here: www.flibco.com
TRANSPORT IN MAINZ

TRAVELING FROM MAINZ CENTRAL STATION TO THE CAMPUS

Several tram and bus lines travel from Mainz Central Station to the campus. There are different stops due to the large scale of the university campus. The rematriculation and the registration for the courses are both subject to deadlines.
HEALTH INSURANCE

In order to enroll at JGU, you need to have a valid health insurance. There may also be the possibility to be exempted from the insurance obligation. However, you should carefully check which risks / treatments are covered by your insurance in your home country, so that you do not incur costs that you will not be able to pay.

!! You make this decision for the entire duration of your studies !!

EU-CITIZENS:

If you’re from a country of the EU, the European Health Insurance Card (EHIC) is normally sufficient as health insurance for you according to legal conditions. I.e. you can be exempted from compulsory insurance in Germany with an exemption certificate from a German health insurance company.

A private insurance must cover ambulatory, stationary and dental treatment and the exact insurance benefits must be identifiable, e.g. duration of validity, scope of validity and financial amount of the insurance coverage.

If one of the three areas (ambulatory, stationary and dental) is not covered, you will not be issued an exemption from compulsory insurance and you will then have to get a German health insurance.
