

In the following, we will provide you with a quick overview on how to travel to Mainz and JGU. If you need further information, please check:

TRAVELING FROM THE AIRPORT TO MAINZ CENTRAL STATION

There are two airports close to Mainz:

1. FRANKFURT INTERNATIONAL AIRPORT (30 MIN. AWAY)

From there you can catch the train or S-Bahn to Mainz central station.

From Frankfurt/Flughafen Fernbahnhof, trains: (EC), Intercity (IC), Intercity Express (ICE), tickets cost around EUR 13,60, travel time: about 20 minutes.

From Frankfurt / Flughafen Regionalbahnhof, trains: S-Bahn S8, Regional Railway (RB), Regional Express (RE), tickets cost around EUR 5,20, travel time: around 30 minutes.

You can find the link to the train schedule here:

www.bahn.com/en/view/index.shtml

2. FRANKFURT HAHN AIRPORT (HUNSRÜCK REGION, 90 MIN. AWAY)

From there you can travel by bus to Mainz central station. The "Flibco" bus leaves from Terminal 3 every three hours for Mainz central station. Tickets cost around EUR 12, travel time: around 90 minutes.

TRAVELING FROM MAINZ CENTRAL STATION TO THE CAMPUS

Plenty of buses and tram lines go from the central station to the campus. There are several different stops due to the large scale of the university campus. We would recommend using tram lines 51, 53, 59 or the number 57 bus, because they stop directly at the main entrance of the campus.

All of the stations are marked with this image on the campus map:

For buses, tram and train schedules in and to Mainz you can check the app or homepage of the MVG – Mainzer Mobilität:

RIDE A BIKE IN MAINZ

You want to buy a bike? Have a look on portals like *ebay Kleinanzeigen*, postings on the notice boards or in unibike shop.

RENTAL BIKES

Once you settle in, you can also explore the campus and the city by bike. You can register online to use the Mainz city bikes.

You can find further information about registration and the bike stations here:

www.mainzer-mobilitaet.de/meinrad/neuigkeiten

You can find all of the rental bike stations on the campus by looking on the campus map (See Page 45).

„GREEN MOBILITY “

Sustainability and climate protection are two of our time’s central topics and everyone can contribute. JGU Mainz is glad about every exchange student who (if possible) chooses to travel to the university using **climate friendly modes of transport** (train or bus instead of airplane or car).

Mainz is easily reached with a train from most European cities via Frankfurt am Main.

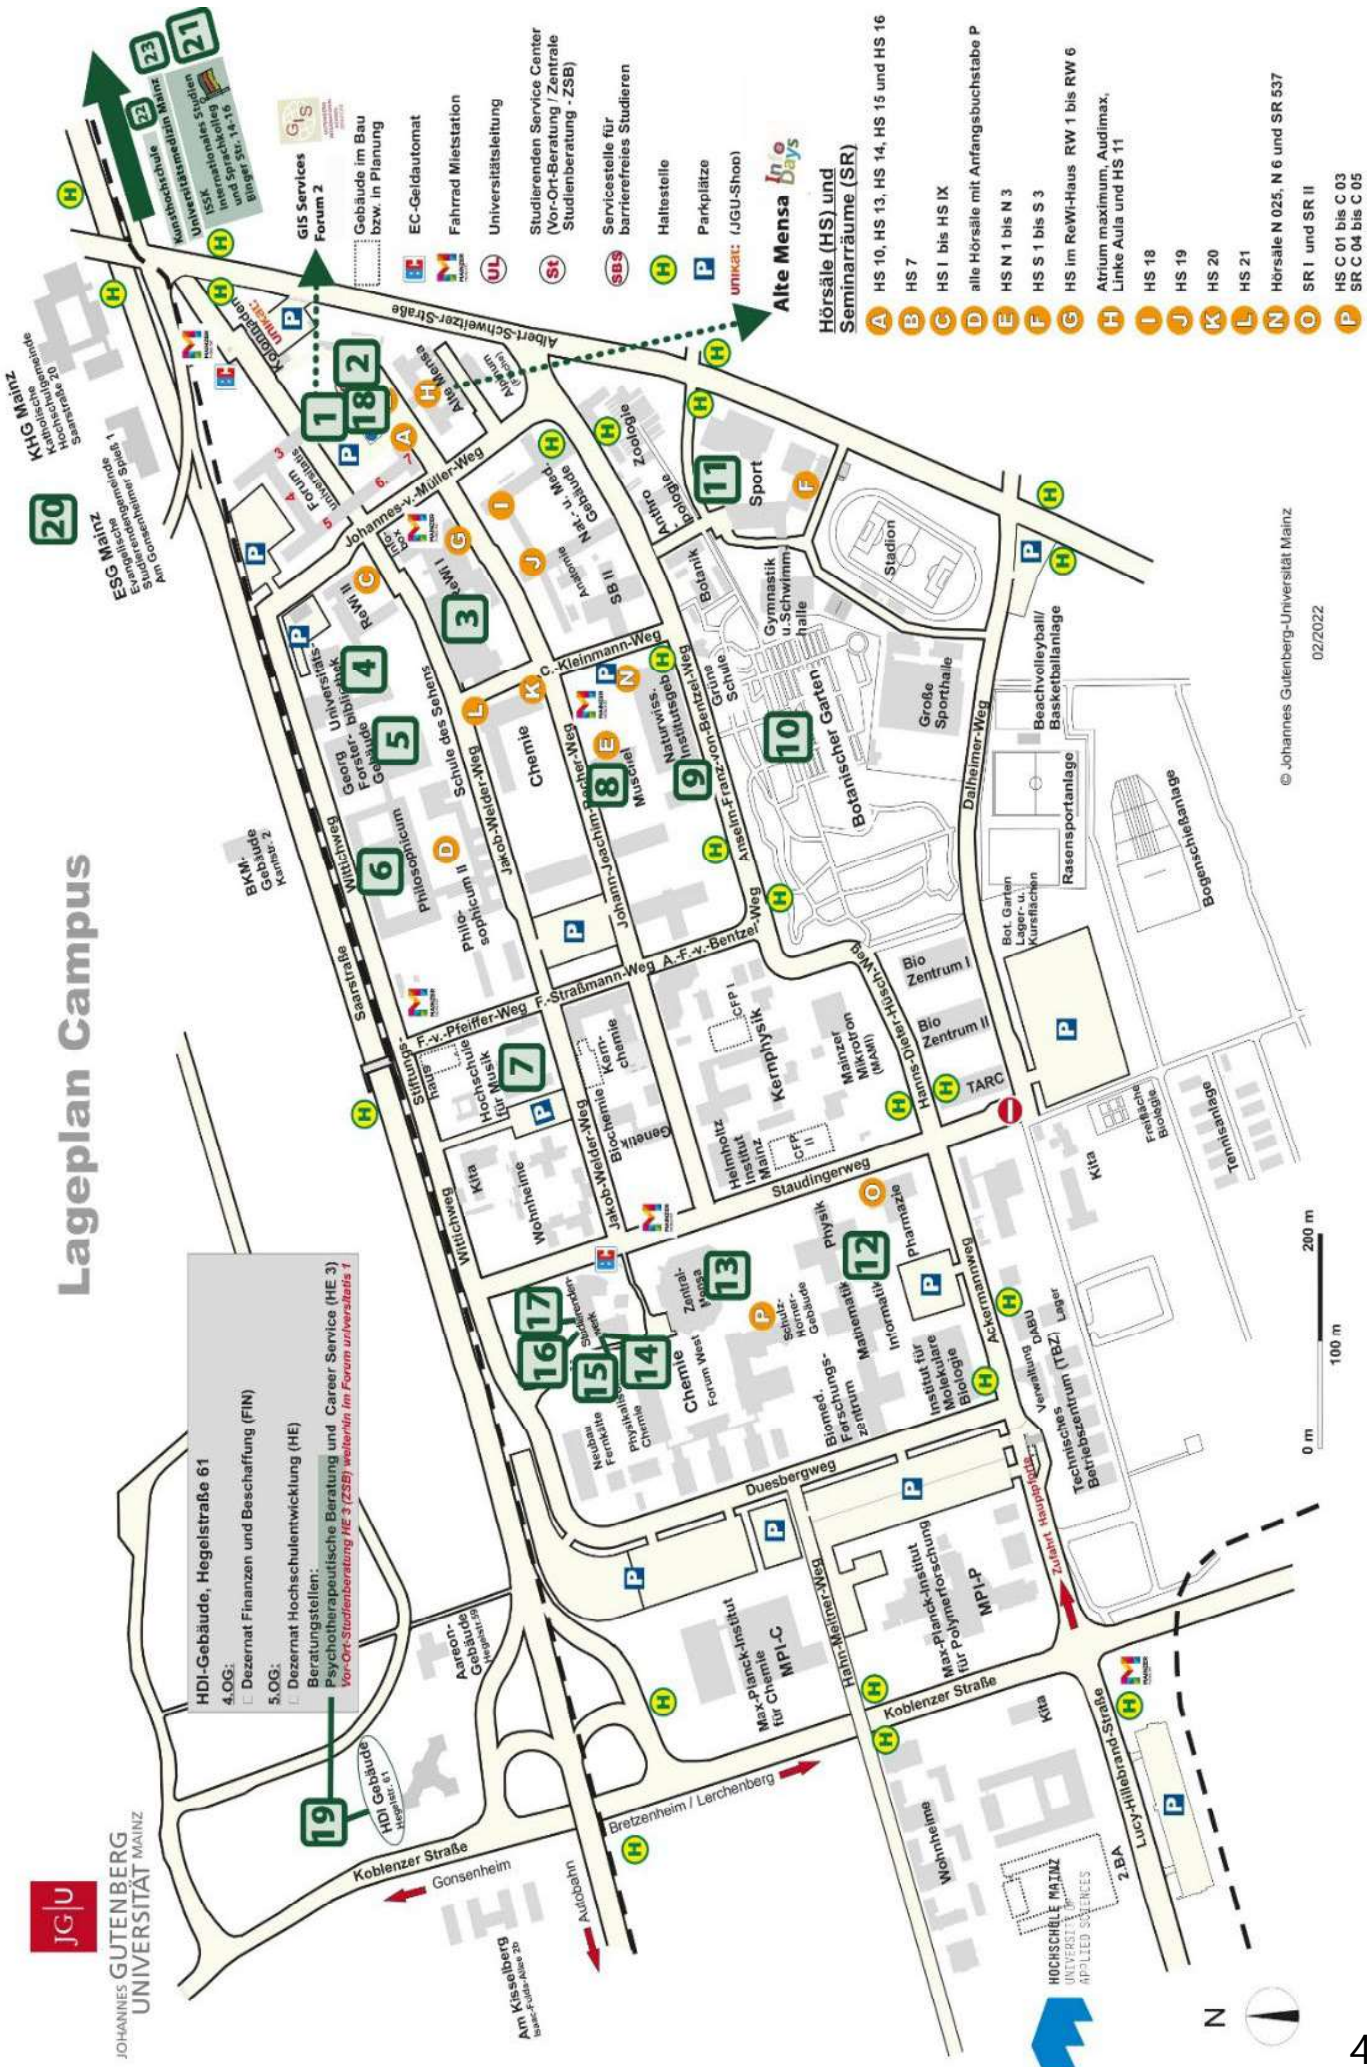

Information for Erasmus+ students:

The Erasmus+ program is also pursuing the goal of becoming more sustainable – ask your home university if you can receive the special “green mobility” grant for your trip.
